The Parables of Jesus

During Jesus' ministry, parables, earthly stories with a heavenly meaning, were a key component of His teaching style. Through parables, Jesus communicated the truth of the Gospel in short and often perplexing stories... inspired comparisons.

Mark differentiates between the group with Jesus, the insiders and those on the outside. While the invitation of Jesus to listen is addressed to everyone, the secret of God's kingdom is only given to those who are prepared to receive it, the insiders.

The Synoptic Gospels make a distinction between the way Jesus speaks to His disciples and the way He speaks to the others. This signifies different ways in which we can relate to the kingdom, either as an insider or as an outsider.

Come and be an insider!
